LOOM ENDS

Every factory and mill in the manufacture of their product, accumulates "loom ends" or "loom ends" as they are commonly called. They are short ends from the looms 1-2 to 10 yards in length. These short ends are laid aside until the end of the weaving season; then they are tied up in great bundles and disposed of by weight—so much for a hundred pounds instead of so much a yard. The price always being less than the actual cost of the raw material they are made from. Loom Ends accumulate in all mills, therefore careful buyers by a persistent system of buying can secure loom ends of every conceivable kind of piece goods that are made

Our buyers have succeeded in securing at a sacrifice TWENTY-FIVE BIG CASES of Loom End Remnant Bargains, and we propose to offer such unheard of buying chances during this sale as to make

Announcements

To the Voters of the Fifth Appellate Court District

of Kentucky

Countdown for Judge of this District

subject to the action of the Democratic

party. As the election is so near, it is

becoming my duty to try to make a

crisp and clear statement of my

position. I am, I feel, in a position to

construe the Statutes adequately, to put

in force the provisions of the new

Constitution, as well as to construe the

Constitution whenever a controversy

arises as to its proper construction.

Almost innumerable have

burdened the docket of my court,

touching the rights of corporations

and the exercise of franchises

under the law. How I have

discharged my duties under such trying

circumstances, is left to you to

determine.

I will be grateful to all who

will assist me to secure the

high position of office to which I

aspire.

Very respectfully,
JAMES E. CARROLL.

John D. Carroll.

Candidate for Appellate Judge in this

District

His Honor, J. D. Carroll, of the Fifth

Appellate Court District, is

running for the office of Appellate

Judge in this district, subject to the

action of the Democratic party. Mr.

Carroll's friends are very

long in the legal profession - have

for a long time devoted to him on the

bench of the highest court in the

State. He has held several offices of

trust and honor, and in all of them

has acquitted himself with credit. When

quite a young man he served as

clerk of the court, and was one of the

three commissioners appointed by the

Governor to revise the statutes of the

State to conform to the changes

made by the constitution, and was for

three years assistant clerk of the

State Central Commission. He is the

editor of Carroll's Kentucky Codes of

Practice and Procedure, which is

one of the best of its kind in the

State. He has been in the office of

every lawyer in the State. A man of

high integrity, great industry, with

an extensive and accurate knowledge

of the law, and in the prime of life,

has a large circle of friends before

him. He is a splendid Judge -

Knows Mi-o-na Will Cure

R. L. Middleton has Seen Faith in This Great Proprietary Remedy That Guarantees It

It is an unusual thing for a druggist to sell a medicine under a guarantee. He usually refers the money if it does not cure. Yet this is the way R. L. Middleton, the popular druggist in selling Mi-o-na, the standard dyspepsia remedy.

Never before has he had so large a number of customers tell him that medicine has cured as with Mi-o-na. People who a few months ago looked like walking skeletons have put on flesh and are ready and vigorous with perfect digestion and good health, solely due to the use of this remedy.

There is no longer any need of anyone suffering or making their friends suffer on account of dyspepsia, for Mi-o-na can be relied upon to cure. The percentage of cures is so nearly one hundred per cent that there is little risk to R. L. Middleton in guaranteeing to return the money if the medicine does not cure, and he stands ready to do so without any questions.

Headaches, all forms of indigestion, specks before the eyes, dizziness, sleeplessness, ringing in the ears and all other troubles are cured by Mi-o-na, price 50c. A few trials treatment alone would enable you in health and a cure speedily follows.

These days are the best in the whole year for the enjoyment of good health. And Mi-o-na will put you in such perfect condition that you can enjoy every minute of them.
